Guessing Games

Age: Preschool-age (3-4 years)

This activity helps your child's development in

this domain: Cognitive

What You Need:

None

What To Do:

- ${\sf 1.}\,{\sf Tell}$ your child that you are thinking of something in the room and that she
 - has to guess what you are thinking of.
- $2.\,\mathrm{Give}$ her simple clues. For example, "I am thinking of something we turn on
 - when it get dark."
- 3. If she gets it right, praise her: "Right, I was thinking of the lamp!" If she does not get it right, give her simpler clues: "You can find it in the living room. It is on the little table."
- 4. Next, give your child a chance to think of things for you to guess. Ask her for clues.
- $5.\,\mathrm{As}$ she masters simple clues, challenge her with harder clues.
