

Make Your Own Drum

Age: Explorer (8 - 18 months), Infants (0-8 months)

This activity helps your child's development in this domain: Physical, Cognitive

What You Need:

- Pots, pans, and bowls
- Wooden spoons

What To Do:

1. Set up pots, pans, and bowls near your baby and give her a wooden spoon.
2. Use the other wooden spoon to hit the "drums" to make a noise.
3. Encourage her to try it herself. Talk about the sounds that she is making.
4. Tap out a beat and see if she can copy it.
