

# Hand Washing Poster

Age: Toddlers (18-36 months), Explorer (8 - 18 months)

This activity helps your child's development in this domain: Language and Literacy

## What You Need:

- Poster board
- Markers
- Camera/phone
- Printer to print out photos
- Glue stick

## What To Do:

1. Take a photo of your child doing each of the 5 steps of the hand washing procedure: wetting his hands, lathering his hands, scrubbing his hands, rinsing his hands, and drying his hands.
2. Print the photos and talk about the process of hand washing.
3. Together put the photos in order and glue them onto the poster board.
4. Caption each photo with the appropriate hand washing directions: wet, lather, scrub, rinse, dry.
5. Post the board above the sink where your child washes his hands and while he washes his hands, point to the photograph and talk about each step.
